

Getting Connected at Harvest

- 1. Attend Party with the Pastors**— A little food in a relaxed atmosphere provides a great opportunity for you to get to know the Harvest leadership better, find out more about our vision, and meet others who are also new to the church.
- 2. Join a Connection Group**— Small groups are an essential part of life and growth at Harvest. Connection Groups normally meet three times a month in homes throughout the area.
- 3. Attend Peak Performance**— This class is designed to provide a thorough understanding of what it means to be a follower of Jesus Christ and a member of Harvest Bible Chapel. Peak Performance is required for membership.
- 4. Serve at Harvest**— God calls us to be living out the love of Christ by serving each other and our community. Therefore, we want every believer to be actively engaged in serving Christ.

Winter Sermon Series - Under Pressure

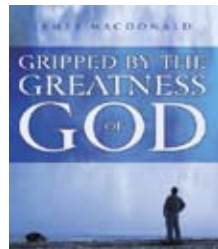

What's with trials? What's their purpose? What do I do when everything around me seems to be falling apart? From January to Easter we will pursue the answers to these questions by looking at the various trials of Abraham, Joseph, Daniel, the disciples, and others when they were put under pressure.

Connection Groups - Gripp'd by the Greatness of God

Here at Harvest we like to say that God is a BIG GOD! But what does believing in a BIG GOD mean? What makes God so BIG? We invite you to join a Connection Group and take a fresh new look at God and through this study you will not only learn why God is such a BIG GOD but you will become:

- Gripp'd by the Greatness of God
- Gripp'd by the Holiness of God
- Gripp'd by the Awesomeness of God
- Gripp'd by the Sovereignty of God
- Gripp'd by the Works of God
- Gripp'd by the Worship of God
- Gripp'd by My Identity in God

Starting January 31st via DVD and workbook study, Pastor James MacDonald will take each of our small groups through six powerful passages from the Old Testament book of Isaiah and inspire us to blow the dust off our picture of God and help us live with increased purpose and passion. You won't want to miss this study, so if you haven't already get registered for a Connection group at the Welcome Table and remember to stop by the Book Table and pick up your workbook for \$10.

Harvest Updates

New to Harvest?

Welcome to Harvest! If you are a new to Harvest, we want to welcome you and thank you for coming and worshiping with us. This morning you can help us by filling out the Friendship Register so that we can know how to pray for you and how we can best minister to you. For more information about Harvest and to pick up a visitor gift bag, please stop by the Welcome Table after the service.

Party with the Pastors

Coming Sunday, January 17th from 6:00-7:30pm there will be an opportunity to Party with the Pastors! This will be a casual gathering that includes meeting key leadership, reviewing our core values, asking any questions you may have, and having a little fun and fellowship. Due to it's limited size, please sign up and get registered for this event at www.harvestindywest.org/events, in the Friendship Register, or at the Welcome Table. If you need childcare let us know when you register.

Peak Performance Class

If you are interested in knowing more about Harvest or becoming a member of Harvest, on Saturday, January 30th from 5:00 - 8:30pm we will be offering a Peak Performance class. This class will cover our vision, core values, what we believe, and provide an overview of our ministries. This is also a great opportunity to connect with other people and ask questions. Child-care will be available and dinner will be provided. If you are interested in attending this event, sign up and get registered at the Welcome Table or mark your interest in the Friendship Register.

Work for Christ

Here at Harvest we take our core beliefs and put them into action. Every week we have over one hundred people getting involved and working for Christ as we convert this theater into a church. If you consider Harvest Indy West as your home church, we encourage you to get involved in one of our ministry opportunities and help serve on Sunday mornings. If you are new to Harvest, this is also a great way to get connected and meet more people. If you are interested in more information, please mark your interest in the Friendship Register.

Future Facilities Fund

If you would like to give an end-of-the year financial gift that is above-and-beyond your regular giving, we have envelopes designated for our "Future Facilities Fund" available at the Welcome Table. Please place these envelopes either in the offering or at the Welcome Table. So far during November and December we have received 20 contributions totaling \$35,810. This brings our total Future Facility Fund to \$63,165.
