

Getting Connected at Harvest

- 1. Attend Party with the Pastors**— A little food in a relaxed atmosphere provides a great opportunity for you to get to know the Harvest leadership better, find out more about our vision, and meet others who are also new to the church.
- 2. Join a Connection Group**— Small groups are an essential part of life and growth at Harvest. Connection Groups normally meet three times a month in homes throughout the area.
- 3. Attend Peak Performance**— This class is designed to provide a thorough understanding of what it means to be a follower of Jesus Christ and a member of Harvest Bible Chapel. Peak Performance is required for membership.
- 4. Serve at Harvest**— God calls us to be living out the love of Christ by serving each other and our community. Therefore, we want every believer to be actively engaged in serving Christ.

What could be more fun than a road trip with the Harvest family! On Saturday, March 20th we are planning a day trip to visit Chicago. We will be departing in the morning and our first stop will be along the famous Magnificent Mile for lunch, shopping, and sightseeing on Michigan Avenue. Then our second stop of the day will be at Rolling Meadows where we will visit the main campus of Big Harvest for dinner, a tour, and a worship service with Pastor James MacDonald. After the service we will load up the bus for our arrival back home.

This trip is open to everyone, but it has limited seats, so you must sign up and pay for your ticket in order to reserve a seat on the bus. The cost of this trip is \$35 per person, and you can sign up and purchase your tickets at the Welcome Table. We will be taking two full buses with just Harvest Indy West.

We have over 80 people registered, and there are only few remaining seats so make sure you sign up and pay today!
